

recommended more consistency between financial accounting terms and development of budget for grant applications. The comments are significant enough that a separate evaluation needs to be done to determine if the budget categories and forms need to be adjusted to meet the needs of the grants community. The review shall determine what action or change, if any, may be made to the SF-424A and SF-424C. Any change would be reflected in a proposed notice requesting public comment.

The proposed consolidated assurance language included on the SF-424, as proposed in the April 8, 2003 **Federal Register** notice, raised several significant comments. These comments are being evaluated separately and will be addressed in a separate notice for public comment. The assurance language is currently found on the SF-424B and SF-424D and can be considered separately and will have no impact upon the implementation of the SF-424 for the October E-APPLY deployment. OMB is beginning the process of review of the assurance language at this time and will submit the proposed resolution for public comment.

Action to further evaluate the comments is being undertaken by OMB. It is the intention of OMB to continue to work with the public and Federal agencies to address the comments and to ensure the Federal government is developing standard data application packages that are simplified and streamlined in a manner intended by Pub. L. 106-107.

Acting Deputy Controller.

SUPPLEMENTARY INFORMATION:

A. Background

In a **Federal Register** notice published April 8, 2003 [68 FR 17091-17105], OMB proposed consolidating several existing financial reporting forms (the SF-269, 269A, 272 and 272A) into a single financial report to be used by the Federal agencies and grant recipients. The purpose of the consolidated Federal Financial Report (FFR) is to provide grant recipients with a standard format and consistent requirements across agencies in reporting financial information for grants and cooperative agreements. The Federal grant-making agencies, after public consultation with the grantee community, jointly developed this form as part of the implementation of the Federal Financial Assistance Management Improvement Act of 1999 (Pub. L. 106-107).

Based on the nearly 200 comments received, OMB has determined there is a need for further evaluation of the issues involved in implementing the new form. Therefore, OMB has requested that the SF-269, 269A, 272 and 272A be extended while these comments are being considered and addressed. We also recognize that a transition period will be necessary to provide agencies and grantees with time to adapt their processes to the new form and phase out the use of old ones. When the FFR is complete, the SF-269, 269A, 272 and 272A will continue to be accepted for a period of time after the FFR has been approved. OMB will publish a new 60-day notice to solicit comments on the updated FFR and instructions when it is closer to being finalized.

B. Comments and Responses

During the public comment period 198 comments were received. Federal agencies submitted 70 comments. State, local, tribal and nonprofit organizations submitted 115 comments, and universities provided 13 comments. Responses to general concerns expressed in the comments are provided.

Comments received from a number of Federal agencies require further analysis. In many instances, Federal agencies were concerned with the process of automating the form. More analysis needs to be done to understand what changes are needed to Federal payment systems so that they can accept the new form electronically. Sufficient time is needed to ensure the FFR is fully automated before the existing forms are phased out.

Many comments indicated there is a need for further evaluation of the information required and the proposed instructions. Further consideration of these comments is needed to ensure that the form is streamlined and the instructions are simplified in the manner intended by Pub. L. 106-107. OMB will continue to work with the Federal agencies in addressing these concerns.

Sheila O. Conley,

Deputy Controller.

AGENCY: Office of Personnel Management.

ACTION: Notice.

L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) has submitted to the Office of Management and Budget (OMB) a request for review of a revised information collection.
