

EXECUTIVE OFFICE OF THE PRESIDENT  
OFFICE OF MANAGEMENT AND BUDGET  
WASHINGTON, D.C. 20503

February 7, 2020

The Honorable Nancy Pelosi  
Speaker of the House of Representatives  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Madam Speaker:

Section 251(a)(7) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) requires that the Office of Management and Budget (OMB) submit a report to the Congress on discretionary appropriations legislation within seven calendar days of enactment (excluding Saturdays, Sundays, and legal holidays). The "Seven-Day-After" report must contain the OMB and Congressional Budget Office (CBO) estimates of discretionary new budget authority provided by the legislation and an explanation of any differences between the two estimates.

Enclosed is the Seven-Day-After report for title IX of Public Law 116-113, the USMCA Supplemental Appropriations Act, 2019. The President signed this Act into law on January 29, 2020. Section 905 of the Act included a directive to count the budgetary effects of title IX towards the discretionary spending limits. This report does not include any estimates of the budgetary effects for the remaining titles of the Act since they are not counted toward the discretionary spending limits.

Sincerely,

A handwritten signature in blue ink, appearing to read "R. Vought".

Russell T. Vought  
Acting Director

Enclosure

Identical Letter Sent to The Honorable Michael R. Pence

**Notes:**

- 1 Enacted appropriations reflect OMB scoring of discretionary appropriations in the USMCA Supplemental Appropriations Act, 2019 in title IX of the United States-Mexico-Canada Agreement Implementation Act (Public Law 116-113; USMCA Act).
- 2 The FY 2020 spending limits for the defense (or "revised security") and non-defense (or "revised nonsecurity") categories are equal to the amounts published in the *OMB Final Sequestration Report to the President and Congress for Fiscal Year 2020* (see OMB's website: <https://www.whitehouse.gov/omb/legislative/sequestration-reports-orders/>).
- 3 Appropriations previously enacted for 2020 reflect OMB scoring of the Consolidated Appropriations Act, 2020 (Public Law 116-93) and the Further Consolidated Appropriations Act, 2020 (Public Law 116-94). The seven-day-after reports for these Acts are on the OMB website: <https://www.whitehouse.gov/omb/legislative/budget-enforcement-act-7-day-reports/>.
- 4 Section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) authorizes an adjustment to the caps for appropriations that are designated by the Congress, and subsequently designated by the President, as emergency requirements or for OCO/GWOT. The USMCA Act included emergency requirements with the appropriate designations and the President transmitted to the Congress on January 29, 2020 his subsequent designations of these amounts. These amounts are summarized here and are not included in the totals displayed above that are counted against the caps. The adjustments to the discretionary limits to reflect this spending are not included in this report but will be included in OMB's Sequestration Update Report for 2021.
