OPERATION AND MAINTENANCE

The requests that follow would fund military operation and maintenance activities in Afghanistan, Iraq and the Levant, and other areas that directly support Operation Freedom's Sentinel, Operation Inherent Resolve, and other overseas contingency operations (OCO). The requests would also provide for certain base budget operation and maintenance activities of the Active and Reserve components of the Military Services, Defense Agencies, and Defense-Wide activities. The requests fund certain classified activities.

OCO requests finance the direct cost of combat operations as well as combat support activities. OCO funding is used for pre-deployment training, equipment, subsistence and logistics support, aircraft flying hours, ship steaming days, military intelligence activities, fuel and supply purchases, communications, maintenance, procurement of ammunition and missiles, and certain military personnel costs. OCO funding also finances activities that support contingency missions such as base and facility support, contract oversight, security cooperation, detainee operations, Defense Health Programs, and family support programs.

OCO requests also fund specific programs including the European Deterrence Initiative, the Afghanistan Security Forces Fund, the Commander's Emergency Response Program in Afghanistan, the Office of Security Cooperation-Iraq, the Counter-Islamic State of Iraq and Syria Train and Equip Fund, and funds to reimburse coalition allies.
